

Cleft Collective Speech and Language Study Monthly Update!

Issue 18, April 2018

Number of participants recruited in March 2018

The latest speech related article from the cleft collective is available now: Wren, Y.E., Humphries, K., Stock, N.M., Rumsey, N., Lewis, S., Davies, A., Bennett, R. & Sandy, S. 2017. [Setting up a cohort study in speech and language therapy](#): Lessons from The UK Cleft Collective Speech and Language Study. *International Journal of Language and Communication Disorders*

Did you know that you could access data collected as part of the cleft collective project?

The study's website (bristol.ac.uk/cleft-collective) provides an overview of the cohort studies and information on data availability is detailed within the data dictionary (www.bristol.ac.uk/dental/cleftcollective/professionals/access/)

There is also a data collection and publication policy available to [read](#).

As always please do get in touch with us if you need any resources, or if you have any questions.
