

# Cleft Collective Speech and Language Study Monthly Update!

Issue 38, February 2020

**Percentage recruitment by site and time**

We thought you might be interested to see how your recruitment has varied over the time you have been involved with the study.

This graph shows 100% recruitment for each site split by year.

**Key:**

- Green = 2015
- Orange = 2016
- Grey = 2017
- Yellow = 2018
- Blue = 2019

You have recruited **145** participants in **2019**.

We are really pleased to hear that many sites have reached their trust agreed targets! But please do carry on recruiting as the target for the study overall is much higher than the targets for each site combined. Thank you!

*A belated  
Happy New Year!*

*As always please do get in touch with us if you need any resources, or if you have any questions.*
