

Cleft Collective Speech and Language Study Monthly Update!

Issue 28, March 2019

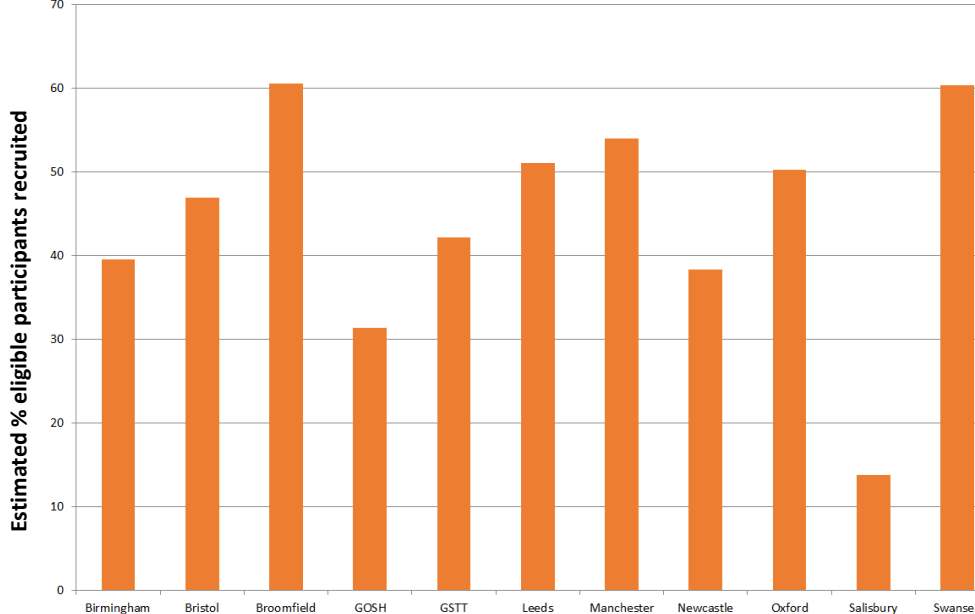

Number of participants recruited in February 2019

Request for Information

Each site undertakes recruitment to the speech study in a way that fits best with the service. Please could you let us know things that work well for you and challenges that you have encountered?

Estimated percentage of eligible participants recruited at each site

Minor Ethics Amendment

We have recently sought and received HRA approval to extend the end date of the study to **30th September 2020**. The details have been passed to your research and innovation departments!!

As always please do get in touch with us if you need any resources, or if you have any questions.
