

# Cleft Collective Speech and Language Study Monthly Update!

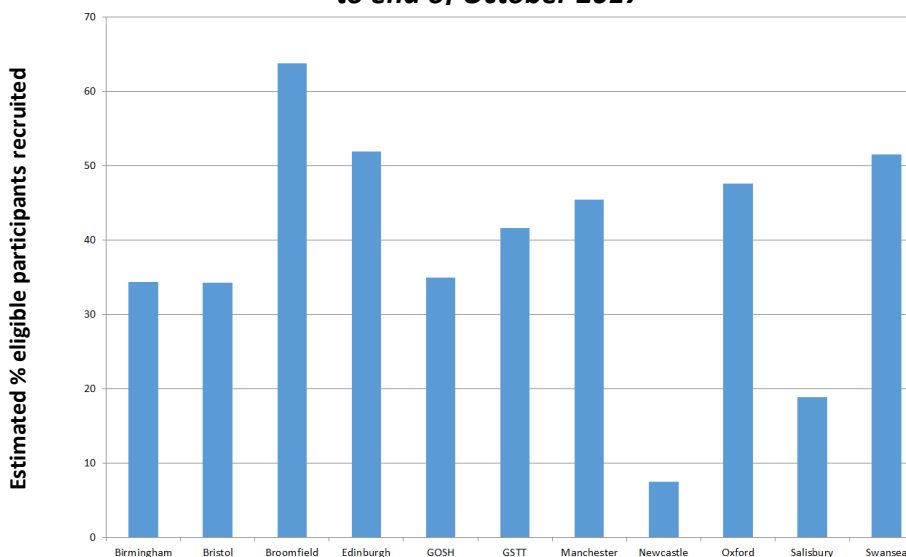

Issue 14, November 2017

## Number of participants recruited in September and October 2017

Do you have a 'Journal Club'? Do you want an opportunity to discuss a paper that is relevant to your work? The Cleft Collective have a page with links to all their published works <http://www.bristol.ac.uk/dental/cleft-collective/professionals/publications/>

## Estimated percentage of eligible participants recruited at each site to end of October 2017

Thank you for collecting information for LENA delivery on the parent form.

Please can you let parents know that we will phone them a few weeks before the date their children turn 13 months to confirm arrangements and date of delivery.

At the end of October we had recruited 481 people. If each recruited 2 child/parent pairs for the rest of the year we could break the 500 mark!

Can you recruit a minimum of 2 child/parent pairs each month?

Please do get in touch with us if you need any resources, or if you have any questions.
