

Cleft Collective Speech and Language Study Monthly Update!

Issue 36, November 2019

Number of participants recruited in October 2019

Two sites (Cambridge and Northern Ireland) recruited that first participants in October! Thanks to the teams there and everyone across all the site for your efforts recruiting to this study.

A non-substantial amendment has been approved by the HRA.

Number 14:
Change of Principle Investigator at Cambridge to Lucy Southby.

The table at the bottom shows the 'estimated percentage eligible' figure. This figure is calculated from the total number of potential recruits from 6 months prior to each sites' first recruitment to the speech study.

As always please do get in touch with us if you need any resources, or if you have any questions.
