Estimated percentage of eligible participants recruited at each site to end of September 2019

Two non-substantial amendments have been approved by the HRA.

Number 11:

Extension of Project end date to 30th September 2020

Number 13:

An online survey has been designed to allow SLTs to effectively record and return therapy data. This survey asks for data that is already routinely collected by SLTs. However it is a new way to send this data to the cleft collective.

As always please do get in touch with us if you need any resources, or if you have any questions.
