Bristol Urological Institute

36th Basic Urodynamics Course

10 – 11th April 2019

**Watershed Media Centre, Harbourside
BRISTOL**

DAY 1 - Wednesday 10 th April	
08:30	Registration and Coffee
09:00	Introduction to Urodynamics <i>Paul Abrams</i>
10:00	Principles of measuring urine flow and pressure <i>Andrew Gammie</i>
10:30	coffee
11:00	The urine flow clinic <i>Mark Stott</i>
12:00	Setting up equipment <i>Andrew Gammie</i>
12:30	Lunch
13:30	Filling Cystometry <i>Paul Abrams</i>
	tea
15:00	Voiding Cystometry <i>Paul Abrams</i>
16:00	New methods of measuring pressure & Non invasive urodynamics <i>Andrew Gammie</i>
16:30	End of day 1
19:30	Course Dinner - venue Riverstation. www.riverstation.co.uk Delegates staying at Ibis will be met at hotel reception at 19:15 and walk as a group to the restaurant.
DAY 2 – Thursday 11 th April	
09:00	Practical Session 1. Urine flow studies & filling cystometry <i>The Team</i>
10:30	Coffee
11:00	Practical Session 2: Voiding Cystometry <i>The Team</i>
12:00	Video of male urodynamics <i>Paul Abrams</i>
12:30	Lunch
13:15	Practical session 3: Artefacts and pitfalls of urodynamics <i>The Team</i>
14:15	Lecture: Urodynamics in common conditions <i>Paul Abrams</i> - Stress incontinence - Overactive bladder - Bladder outlet obstruction - Role of specialist urodynamic testing
15:30	End of course

Faculty

Paul Abrams MD FRCS, Professor of Urology. Bristol Urological Institute, Southmead Hospital, Bristol

Andrew Gammie, MA CEng MIEE CSci MIPEM, Clinical Engineer. Bristol Urological Institute, Southmead Hospital, Bristol

Wendy Bevan, Urodynamic Nurse, Urodynamic Unit, Bristol Urological Institute, Southmead Hospital, Bristol

Connie Chew, Urodynamic Nurse, Urodynamic Unit, Bristol Urological Institute, Southmead Hospital, Bristol

Anna Hassine, Technician, Urodynamic Unit, Bristol Urological Institute, Southmead Hospital, Bristol

Mark Stott MD FRCS, Consultant Urological Surgeon, Exeter

Laura Thomas, Clinical Scientist (Uro/GI), Urodynamic Unit, Bristol Urological Institute, Southmead Hospital, Bristol

DANTEC MEDICAL Enhancing Patient Care

Market Leading Urodynamics from Dantec since 1984

- Urine flow rate systems – DanFlow
- Standard Urodynamics – Dantec Jive
- Video Urodynamics – Dantec Quickstep
- Private/Portable Urodynamics – Jive PU
- DICOM link to Electronic Medical Records system

Dantec support education in Urodynamics by Bristol Urological Institute at the 2019 Basic Urodynamics Course

Our Values and Commitments to you

- High Quality Equipment
- Reliable
- Cost Effective and Cost Competitive
- Quality Training
- Quality Service from Medical Service Engineers
- Loyalty
