

How to sew up your Teddy...

1. Begin with 5 knitted or crocheted panels

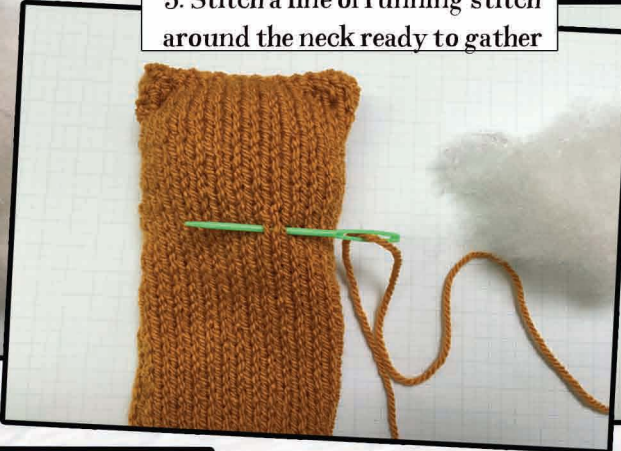

2. Fold large panel in half right side to right side. Sew up side and top. Leave bottom side open for stuffing

3. Turn right side out. Stitch a diagonal line across top corners for ears

4. Insert stuffing to make head

5. Stitch a line of running stitch around the neck ready to gather

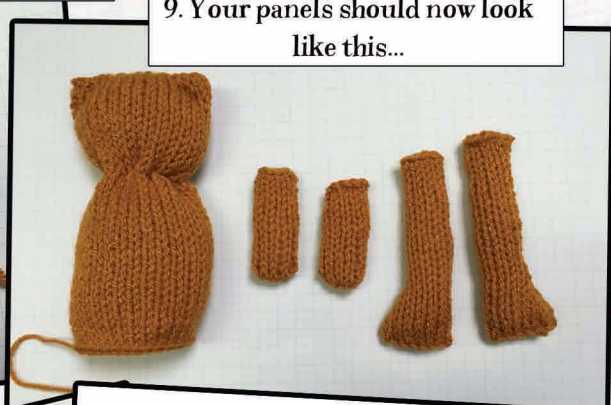

6. Gather the running stitch by pulling end threads. Stitch to hold tight and form the neck.

7. Insert stuffing into body

8. Stitch up the leg and arm panels, leaving one end open for stuffing if you are using it.

9. Your panels should now look like this...

10. Tuck legs into body and stitch the bottom of the body together

11. Stitch on arms

12. Add face details.

You could also add a scarf/hat/clothing....
