

Your future career

Your kind of hospital

Our Brunel building at Southmead Hospital has been named the best designed large hospital internationally at the European Healthcare Design Awards. **The only British Hospital to make the shortlist.**

- 800+ beds, 75% of which are single occupancy en-suites
- Award-winning glass atrium, the height of the nave of Westminster Abbey
- Eco-friendly and sustainable technology used throughout our Brunel building
- Robotic transport machines for efficient handling of waste/linen/food/supplies

We'd love to hear from you

Our Talent Acquisition team are a wealth of knowledge when it comes to joining our trust.
