

Service: **Breast Screening Unit**

Thank you for coming to breast screening

Dear

Thank you for coming to breast screening.

The pictures showed that everything looked okay and we will let your doctor know.

You will be asked to come for screening again in three years time and you will get a letter again.

It is important that you check your breasts regularly. Go and see your doctor if you can feel or see any changes.

If you have any questions about this you can talk to a breast care nurse on 0117 414 7072

Yours sincerely,

Dr Alexandra Valencia

Clinical Director
