Medicines labelled as “hazardous waste”

- The medicine that you have been prescribed has been classified as hazardous waste.
- This medicine should be disposed of safely as it could be hazardous if it is disposed of in household waste or via the sink or toilet.
- This medication could also be dangerous if taken or handled by anyone other than the patient.
- Any unused medicine should be returned to a pharmacy for disposal.
- This medicine should be taken as directed by your Doctor or Pharmacist and should only be taken by the patient named on the label.
- Keep all medication out of the reach and sight of children.

Thank you for your co-operation.
