

Department of Haematology

Unaccredited Referral Tests

Severn Pathology will comply with the requirements of all relevant regulatory bodies and is committed to the use of examination procedures that will ensure the acceptable quality of all tests performed and are fit for their intended use. The accredited scope of activity for the department is given in the UKAS schedule.

Occasionally it is necessary to refer samples for a test, or tests, which may not be accredited to ISO151589, or to a laboratory that is not accredited to ISO151589. Below is a list of tests which are currently referred to laboratory's which either lack accreditation or are not accredited for the test referred.
