Sarah Margetts
Director of People (NBT)

NBT Trust level leadership on strategic and operational people priorities

Design, strategic oversight and delivery of the Trust's people priorities and Group People Strategy

Leadership of the Strategic People Business Partnering model for NBT

Resourcing, Temporary Staffing and Talent Acquisition responsibilities across the Group

A portfolio of Group People Services including people operations and advice, policy, employee relations, pay and compliance, resident doctors & medical workforce

Group People Systems: ESR and ERJP, including Medical ERJP, Workforce analytics and people system transformation

Jean Scrase
Group Director of Learning and Workforce Development

An experience educator and multisector leader across the health and care system, with a background spanning schools, colleges, universities and national curriculum and policy development.

Committed to enabling equitable access to high quality learning and bringing people together to create positive change.

Previously Associate Director of Learning and Workforce Development at University Hospitals Bristol and Weston and Associate Director of Education, Inclusion, Communications and Engagement at Salisbury Foundation Trust.

Has led National and International education improvement programmes; contributed to professional standards in Science and Engineering, and taught teachers and post-16 students.

Entered Health and Care to put policy into practice and is a strong advocate for non-traditional learning routes, particularly apprenticeships.

Sophie Dilworth
Head of Programmes - People Transformation

Leads the People transformation programme aligned to Hospital Group formation and merger delivery, ensuring all people-centred workstreams are strategically integrated and outcome-focused.

Provides oversight across organisational integration, People Services transformation, and the development of a future-ready Target Operating Model.

Leads a strategic agenda to embed automation, AI, and continuous improvement, building a digitally enabled, data-driven environment that enhances efficiency, strengthens capability, and fosters a culture of innovation, accountability, and sustainable performance improvement across the organisation.

Elliot Nichols
Group Chief Communications & Engagement Officer

Communications service for staff, patients, visitors and other stakeholders

Multiple channels and activities including media relations, stakeholder relations, social media, website, intranet, patient leaflets, events management, graphic design, advertising, marketing, engagement, public affairs, public consultation, public relations, digital communications and branding
