Course Director:

Hashim Hashim, Consultant Urological Surgeon, Honorary Professor of Urology, Director of Urodynamics Unit, Bristol Urological Institute

Course Tutors:

Paul Abrams, Professor in Urology, Bristol Urological Institute

Marcus Drake, Professor of Physiological Urology, University of Bristol, Consultant Urologist, Bristol Urological Institute

Andrew Gammie, Clinical Engineer, Bristol Urological Institute

Chendrimada Madhu, Consultant Gynaecologist, Subspecialist Urogynaecologist, Southmead Hospital

Laura Thomas, Clinical Scientist, Bristol Urological Institute

Mark Woodward, Consultant Paediatric Urologist, Bristol Royal Hospital for Children

This is an online training course run live over 3 days. Delegates are expected to attend the whole course and will not be able to record any of the sessions. There will be opportunity for Q&As after each session but participant involvement is encouraged throughout the course and delegates will be asked questions during some talks. The quiz at the end of the course is 30 minutes. Those who achieve satisfactory marks are awarded the Certificate in Urodynamics, others who do not are awarded a Certificate of Attendance.
