Frenchay Hospital Site Map

Frenchay Hospital site is undergoing a huge period of change as buildings are decommissioned and demolished in preparation for the redevelopment of the site.

We are working closely with our contractors to minimise disruption so please bear with us during this time. Car parking will be provided as close as possible to departments remaining open. Facilities such as toilets will be available in the remaining departments.

Which services are remaining at Frenchay?

Three patient services, plus a few corporate members of staff, will remain on the Frenchay Hospital site:

1. Brain Injury Rehabilitation Unit
2. Head Injury Therapy Unit
3. Headway Bristol

Plus the proposed Frenchay Health and Social Care Centre (to be commissioned by South Gloucestershire Clinical Commissioning Group)

How many patients are visiting the site?

- Around 70 patients a day are visiting the site.

Dedicated public parking is provided on site and pay and display charges remain as they were before.

What security is there at Frenchay Hospital site?

The level of security has remained the same as before. The Estates building, at Entrance A will remain open 24 hours a day, 365 days of the year. CCTV will remain on site and the same level of street lighting. Entrance and exits to the hospital site will remain open.
