Car Parking

Please be aware that parking spaces at Southmead Hospital are currently limited while the second phase of construction is being carried out. The Trust has four main car parks for patients and visitors to Southmead Hospital. The Emergency Department and Beaufort Multi Storey car parks are pay on foot which works via automatic number plate recognition and payment is made as you return to the car park to collect your vehicle. Payment at these Paystations can be made by credit/debit card, notes or coins. The other car parks and on street parking spaces are coins only pay and display. Please make sure you bring sufficient change for parking.

A shuttle bus service is available from the Beaufort Multi Storey Car Park to the main entrance of the Brunel building which runs approximately every 10 minutes Monday – Saturday 7am – 9pm and Sunday 9am – 9pm. The bus stop can be found by the main entrance to the car park.

All car parking at the Hospital is managed by OCS. Their office is in the Brunel building and is open 24 hours a day. The telephone number is 0117 323 5023.

Charges apply 24 hours a day, 365 days a year. Tariffs are clearly displayed in all public car parks and can be obtained by calling the OCS office. For long term parking at a reduced rate contact the OCS office for more information.

Disabled drivers, displaying a blue badge, park free of charge and disabled parking spaces are provided in all public car parks. If there are no available disabled spaces you may park in any space within a public car

park free of charge provided that you display your blue badge. For disabled parking please see instructions on payment machines. The map overleaf highlights public parking areas. Please ensure that you do not park in staff car parks as only permit holders may park in these areas, particularly as a barrier card is needed to exit them.

Terms and Conditions of parking. Please be advised that failure to comply with the Terms and Conditions of parking as displayed within the car parks may lead to enforcement.
